SMESA Social: Pickleball

Over the month of September, SMESA organised pickleball sessions, bringing members together for a morning of energy, laughter, and camaraderie.

“Playing pickleball at the pretty new St Margaret’s School (Secondary)’s indoor sports hall was an experience that blended both joy and reflection. Sharing the court with seniors and friends brought back fond memories of camaraderie and teamwork, while also creating new moments of laughter and connection. The familiar setting reminded me of how sports can always be used as a bridge for friendship and community, and it was heartening to see some bonds remain strong over time. It was more than just a game — it was a celebration of shared experiences and lasting ties.” **(By Dr Shirrie Pillai)**

Mrs Wong Hoe Eng – Celebrating 100 Beautiful Years 22 July 2025

By Lee Soo Kwan

Tuesday, 22nd July was a very special day for those of us who visited Mrs Wong Hoe Eng . We were there to celebrate 100 beautiful years of a life well-lived and a heart well-loved. What an incredible milestone!

We were there not just to celebrate her age but the love, wisdom and beautiful moments she has brought to the many students at St Margaret's through the decades! As we reminisced the good old days, her memory is impeccable. As we talked about the world today, how well informed she is! Mrs Wong is a great testimony of God's sustaining grace and unwavering love.

"Mrs Wong, your life has been a blessing to everyone whose life you have touched. May you continue to experience the love, peace and joy of the Lord and be a source of wisdom and inspiration to everyone around you."

SMESA Visit to St. Andrew's Cathedral Home 5 August 2025

This year marks Singapore's 60th birthday, and we were delighted to celebrate it with a group of pioneer ladies who are part of the SG60. On 5th August, SMESA members, together with a few friends, strolled into SACH in the morning bearing muffins adorned with Singapore flags and biscuits for the residents.

We played videos of National Day songs from past to present and sang along with the residents, who proudly waved their flags and shook the musical instruments in their hands. Besides singing, we also did craftwork together—using recycled drinking bottles wrapped with a merlion and SG60 logo to create pen holders.

It was a fun-filled morning for all, and we left with our hearts full, touched by the beaming faces of the residents.
