## A NOTE FROM OUR NEW PRESIDENT

The year 2015 is a year for Thanksgiving and Reaching Out, just as Singapore is celebrating SG50, fifty blessed years of nationhood.

We are planning to honour our 'pioneer' teachers and principals for the solid ground they had laid for us and generations to come. As our School Hymn says '... they reap not where they laboured, we reap what they have sown ...'. It is therefore befitting that we thank and honour them at our 173rd Anniversary Dinner on 16 November 2015. So do come and join us at this year's Anniversary Dinner to reconnect with our teachers and principals who educated us and taught us life's precious values.

This is also a year when we will be Reaching Out – reaching out to all our alumni members, our ex-students and our graduating students to come together to bond and to serve as one St. Margaret's Family. We are also reaching out to the community especially the disadvantaged and the marginalised. Our activities for the year will focus on our 'reaching out' programme. These will be announced in our Newsletters, Website and Facebook. So do keep in touch and join us in our calendar of events.

We are in the process of putting in place a new SMESA Website which would facilitate communication between our alumni members and students – past and present. The new Website is expected to be operational later in the year.

Together, working as one family, we can achieve our goals. We welcome your feedback and suggestions and look forward to welcoming you to our activities during the year.

Ms Lee Soo Kwan

# PROFESSIONAL GUIDANCE DAY

## 2015

This year's Professional Guidance Day was held on 5 January 2015 which was much earlier in the year than the previous years. The rationale for SMSS to start early is that it wanted its graduating students to have an early start in planning their career path.

BY PIXIE HO

Ten speakers were invited to speak at the event on the following professions:

1. Media – Radio Presenter
2. Legal Profession
3. Scriptwriting and Journalism
4. Engineering
5. Performing Arts
6. Scientific Research & Education
7. Hospitality
8. Student Care & Entrepreneur
9. Writing
10. Interior Designing

The speakers were requested to speak at 3 sessions of 45 minutes duration each on the following areas of their profession:

- Educational qualifications required to join that profession
- Personal educational pathway
- Insights into the profession and personal experiences
- Specialization within the profession
- Any other interesting points to enlighten the students

The participation from ex-students for the event was fewer than the previous years because of the change in the timing of the event. Only 2 ex-students participated, namely, Ms Rita Gozali and myself. Ms Rita Gozali shared her profession as a Supply Chain Operations Manager in the Engineering profession.

I shared with the students my experience in the legal profession. 40-plus students attended my talk for each session. They were a mixed group. There were some who were very keen and serious about the profession and some who were merely there to listen.

They asked questions like how long does it take to complete the law course before one can start earning a living; how much does a lawyer earn at the start of her/his career; what subjects are required to qualify for entrance into a law school; is the profession already saturated with lawyers and how to be a Judge.

It was an enlightening time sharing our work experience in our individual profession with the students. We hope that more ex-students will come forward to share your profession with them.

# SMSS SPORTS DAY 2015

SMSS Sports Day was held at the Yio Chu Kang Stadium on 13 March. The excited students were at the Stadium bright and early at 7.30 am, all eager to get the Event going. The morning started with the singing of the National Anthem and saying the Pledge. This was followed by Devotion.

BY LEE SOO KWAN

Everyone was ready for the games to start. Principal Lee Lin Yee led the students, teachers and parents round the track to signal the beginning of the Day's Event. As the games and competition proceeded, there were loud cheers and shouts of encouragement from the stadium for their friends, classes and House teams. The Mascot Fun Race brought much laughter and cheers and parents had fun with their daughters in a telematch.

As the morning progressed, there were more cheers to spur their House teams on for the House Team Champion trophy which was won by Fearon House.

Ms Lee Soo Kwan from SMESA was the Guest-of-Honour. Walking round the Stadium watching the competition and talking to the students and teachers reminded her of her days at St. Margaret's when as House Captain, she was also cheering loudly for her teammates.

Soon it was time to present prizes to all the happy and excited winners by Principal Lee Lin Yee and Guest-of-Honour Lee Soo Kwan. The winners walked away happy with their medals. For those who did not win any, try again next year!
